Product Description

Experience unmatched security with the Templeton Safes ETL-Certified Fireproof Safe. Designed with precision and certified by Underwriters Laboratories, this safe stands as a testament to quality, offering you the confidence that your valuables are well-protected.

The state-of-the-art electronic fingerprint combination lock ensures that only authorized individuals can access the safe's contents, providing an added layer of security. Constructed from high-grade alloy steel, it's built to resist tampering, and its fireproof capabilities offer an extra shield against potential hazards.

Inside, a convenient shelf allows for organized storage, ensuring easy access to your items. Its elegant black finish not only adds a touch of sophistication to any room but also ensures durability. The spacious design, with dimensions suitable for a variety of items, accommodates everything from important documents to cherished personal belongings.

Each safe comes with a set of 2 keys for emergency backup access.

With Templeton Safes, you're not just buying a safe; you're investing in peace of mind and reliability.
